

*The Inner Journey*

“I can’t do a solitary thing on my own: I listen, then I decide.

You can trust my decision because I’m not out to get my own way but only to carry out orders.”

John 5:19

Jesus is still calling for those who will, to “follow Him”. The primary discipline He taught, and still teaches, His followers is the art of listening to His Father. That is why you are being

taught this same daily life discipline at the very beginning of your journey. Jesus ‘taught’ by the daily example of His own “Quiet Time” with His Heavenly Father.

We go through our lives believing that there is a God out there in the universe somewhere, but we really don’t understand that He is right here on earth with us to guide us and lead us in our daily lives. We think that Jesus is just a concept in our minds (as the picture to the left illustrates) and we have placed ourselves on the throne of our hearts

where Jesus should be.

Once we ask Jesus to come into our hearts and be Lord over us, we remove ourselves from the throne and humble ourselves to do the Lord’s will. He loves us so much that He only will lead us into righteousness and to be pleasing to our Heavenly Father. Our lives will be changed forever.

*Having a Conversation with God*

Begin by praying something like this, ***“Lord, I know that You know me better than I know myself. I trust that You know what is best for me, and only You know the deeper wounds that You desire to heal. Holy Spirit write through me the questions that need to be asked and***

***the answers I need to hear. Let me not be deceived and let all that I write be truth, in Jesus name, Amen.”***

Write out your question to God and then write the very first thing that comes to your mind. Don’t stop to analyze or think about what you are writing. If another

question comes to mind write out the question and again the first thought that follows.

**“Look at me, I stand at the door. I knock. If you hear my call and open the door, I’ll come right in and sit down with you.”**

**"I'll pour water over you and scrub you clean. I'll give you a new heart; put a new spirit in you. I'll remove the stony heart from your body and replace it with a heart that's God-willed, not self-willed. I'll put my Spirit in you and make it possible for you to do what I tell you and live by my commands."**

**(Ezekiel 36: 25-27).**

Listening on the inside to the Spirit of Jesus will begin to reveal the path to His presence. Jesus will teach you the difference between the "mind of your flesh" and the "sanctuary of your soul". He will take you by

the hand and lead you gently away from the carousel of our busy minds and excessive life noise to His "peaceful presence" in the sanctuary of our souls.

It is our firm conviction that spiritual growth, Christ-likeness, healing and completeness are not possible apart from being present to the presence of the Lord and sharing Him with others. It is the greater part of our daily journey in Christ!

Starting each new day as a beginner, we continue on the path that leads to Christ-likeness. Try it. Get pen and paper and begin. He is waiting on you.

**"Until we're all moving rhythmically and easily with each other, efficient and graceful in response to God's Son, fully mature adults, fully developed within and without, fully alive like Christ." (Ephesians 4:13)**

It never gets more complicated than this simple and pure process. **"The Lord has given me His words of wisdom, so that I know how to comfort the weary. Morning by morning He wakens me and opens my understanding to His will. The Lord has spoken to me, and I have listened. I have not rebelled or turned away."**

**(Isaiah 50:4-5)**

**My child, I remind you that "I AM", therefore I would impress My love upon your heart. Because "I AM" there is no need for worry, fear or dismay. "I AM" your one and only source. There is a vital aspect of "I AM" that I desire for you to focus upon and it is : "I AM" love. It is My love that will sustain you. It is My love that will cover you. It is My love that will bring the unity My Beloved Son prayed for. Lay your head upon My chest. Can you hear and sense My heart beating? If you focus on My heart of love you will know each moment and in all the many ways I want to express My love through you. You need nothing more. My love is the source of vision. My love will enable you to build My Kingdom. My love will re-assure you that it is not too late to receive and do what I have put in your heart! Your only job is to let Me love you and release My love to all I put into your path. My perfect love will cast out the fear and cares of this world. "I AM" love; receive and release My love. Focus on My love and I will direct your steps—one at a time. My love will mend and My love will send. Allow My love to kiss you at all times. You are My beloved..... Jesus**
