

2022 DUNKLIN MEMORIAL CHURCH REGENERATION PROGRAM LEADERSHIP GATHERING

CAMPFIRE Special Edition MARCH 2022

"For you know the grace of our Lord Jesus Christ, that though He was rich, yet for your sake He became poor, so that you through His poverty might become rich." - 2 Corinthians 8:9

The scripture above tells the story about all of us who have been brought into relationship with Jesus Christ. This verse is the story of Christ, from riches to poverty. It's the story of every one of us as believers, from poverty to riches. If you look closely at the context of this verse, Paul is challenging the Corinthians to excel in the grace of giving to fellow saints; however, it's a verse that we can pull out and admire in and of itself. It's a diamond that can be looked at over and over as the truth of it is overwhelming. There are no difficult words and nothing confusing. There are no theological words; it's simple and straightforward, but the depth of it is hard to fully grasp. With one reading, we may understand what it says, but with an eternity, we may never ascertain all that is involved.

The only way we can absorb the beauty of what it means is if the Holy Spirit gives us revelation and the ability to "see". Paul says in Ephesians 1:18, "I pray that the eyes of your heart may be enlightened that you may know... the riches of His glorious inheritance in His holy people..." My own heart was a bit more enlightened this past weekend as we celebrated our 60th anniversary. I became more aware of just how "rich" I am in Him. I, also, became more cognizant of the riches of His inheritance not only in my own life, but as a body of believers whom live and dwell at Dunklin Memorial Church.

The heritage that has been passed on to us is remarkable. Since 1962, the Lord has blessed us in an abundant manner and the most apparent way is through the men He sends here. We believe every man that walks through the door has been chosen by Him. He brings them here, captivates their hearts, redeems their souls, and breathes a purpose into their being.

'For you know the grace of our Lord Jesus Christ, that though He was rich, yet for our sake He became poor, so that through His poverty we might become rich.'

We are rich in Him!

Nick

We would like to thank all of the ministries that participated in our *Leadership Gathering* last week. We spent three days worshiping, praying, and encouraging one another. We also took advantage of the time together to glean and receive input from each other. This has become an essential time for us to receive fresh vision from the Lord and vital support from those that are in some of the same trenches as us, fighting for the lives of addicts and alcoholics through the propagation of the gospel.

This year's theme was *By Faith* as we feel this is where the vision started. As I wrote in a recent 'Campfire', Brother Mickey was sharing messages out of Hebrews 11 when the Lord whispered to him one night that He desired for him to leave his pastorate and build a place for 'alcoholics.' Mickey fought this calling for a couple months, believing that he could send someone else. Eventually, he surrendered and committed to what the Lord was asking him to do. By God's grace and Mickey's love for the Lord, he was obedient and went to a place that was unknown. Now, there are many other ministries that have been birthed from what was started all those years ago in the spring of 1962.

The individuals you see pictured above are doing the same thing. They have embraced the call to build cities of refuge to the uttermost. We are grateful that we can be a small part of what the Lord is doing in so many other places. Please pray for us as our hope is that more cities of refuge can be birthed from Dunklin. The fields are white unto harvest and the Lord is looking for those men and women who are willing to go wherever He may lead.
